Regulations for delayed examination registration

In order to sit for an examination, students must register by 1 February in the spring semester and by 15 September in the autumn semester.

Registration after these deadlines is only permitted in the following special circumstances:

- 1. Illness or giving birth, or if there is a death or serious illness in the student's immediate family. The application must be supported by documentation.*
- 2. The student is participating in group work that is directly assessed and it can be documented on academic grounds that this cannot be completed for the other students in the group without this student being included.*

The application for exemption is to be submitted on a separate form.

Application deadline is 15 October in the autumn semester and 1 March in the spring semester.
