

Bookitlab at the Department of Chemical Engineering (IKP)

Bookitlab is a Core Facility Management System where users can search the IKPs inventory list and make reservations of lab equipment.

To be able to make reservations, lab access and apparatus trainings are required.

Log on to Bookitlab: <https://core.bookitlab.com/ntnu> (Login with Feide credentials.)

For questions and problems with Bookitlab, please contact the [lab manager](#).
