

Making course priorities on Studentweb

e.g. choosing a course for Experts in Teamwork

When you log in to Studentweb, you will receive a notification on the front page if you are going to make a course priority in this period. Tap the link and you will enter your education plan where the course priority will be made. You can also go there by choosing «Studies» in the top menu and «Show education plan».

Upcoming events (1)

Date	Course	Information
19.12.2015	SPA0502 Spanish II	Exam: 19.12.2015 09:00 - 4h ordinary time. Candidate no

The deadline for prioritizing is 01.11.2015.

Some time after the deadline, your priorities will be processed and you will be accommodated according to the regulation for admission. The course you are admitted to will appear in the education plan in the same way as the other ordinary courses. You will be registered for both class and exam in this course. The other priorities you are not admitted to, will be removed from your education plan.
