

PH.D.-HOVEDVEILEDERE VED IE (alfabetisk på fornavn):

Årlig rapport skal leveres for alle ph.d.-kandidater med studierett tatt opp før 1. oktober 2023.

Er det avvik i listne kan dette skyldes at kandidaten ikke er formelt tatt opp til et ph.d.-program ved IE-fakultetet. Kontakt gjerne kandidaten for å ferdigstille søknad om opptak. Fakultetsadministrasjonen følger opp et par ganger i året på de som skulle søkt opptak.

Listen er revidert i **08. februar 2024** med utgangspunkt i den opprinnelig listen hentet ut i desember for aktive **kandidater tatt opp før 1. oktober 2023**. Håper nå og fått lagt til nye ph.d.'er og tatt ut flere av de som har disputert.

Alle som står på listen ønsker vi at det rapporteres for.

Her følger alfabetisk på fornavn oversikt over hovedveiledere og ph.d. kandidater ved IE-fakultetet:
