Ordering of examination transcript (transcript record)

You can order a transcript on this page. It will be sent to you in the post.

Note that you can select how you want the transcript to be presented:

- **Chronologically.** The courses are sorted and listed chronologically starting with the oldest courses.
- **Grouped according to your individual education plan.** The focus in the transcript is the individual education plan. The courses can be sorted by compulsory courses/electives or by the course year. It depends on how your education plan is structured. Courses that are not in the individual education plan are grouped as 'Other courses'.
- **Grouped by subject.** The courses are sorted according to which subject they are registered under.

Examination transcript (transcript record) will be sent to
