Blackboard - Webinar on groups
Friday 18.05.2018 10:15-12:00

Thank you for registering!

The webinar session will open for connection a quarter before we begin. You can find the session by following the link below:

****

We made a short video introduction about webinars in Blackboard, which you can find here:
https://youtu.be/DU_BCnTv_EY

Practical information and recommendations:
- Recommended browsers: Google Chrome (most recent version)
   Contact Orakel services if you need help with installation.
- Sound: Use a mutable headset (this will be configured when logging on)
- **Test you microphone and camera here:**
   https://s.ntnu.no/test-collaborat
- A more detailed guide to participation in Collaborate webinars can be found here:
   https://innsida.ntnu.no/wiki/-/wiki/English/Blackboard+-+Participate+in+Collaborate
- Consider including email/phone number for technical support or moderator, in case of last minute problems logging inn

We look forward to meeting you there!
