In order for OUP to publish your article, you must select and sign one of the following copyright agreements:

- ☐ Standard Licence
- ☒ Open Access Licence CC BY
This licence is mandated by the [RCUK](#) and [Wellcome Trust](#) policies on open access and their funds may not be used to pay the APC for articles under any other licence. CC-BY permits others to use, reproduce, disseminate or display the article in any way, including for commercial purposes, so long as they credit the author for the original creation. There is a **£1,050 GBP/\$1,680 USD/€1,365 EURO** charge, subject to tax and any applicable discounts, for having your article published in Biostatistics using the CC-BY open access licence.

For US Government employees and the employees of the Crown/House of Commons:

- ☐ UK Crown Copyright Agreement
- ☐ US Government Agreement

You will be asked to confirm your selection on the next page.

Oxford Open Licence

In order to publish your article on an open access basis, we first ask that you grant Oxford University Press an exclusive licence. This grants us the necessary rights to publish the article. In turn we agree to publish and distribute the article under the selected Creative Commons licence and this will define the reuse rights associated with your article, as described below.

You hereby grant to Oxford University Press an exclusive licence for the full period of copyright throughout the world to:

publish the final version of the Article in the above Journal, and to distribute it and/or to communicate it to the public, either within the Journal, on its own, or with other related material throughout the world, in printed, electronic or any other format or medium whether now known or hereafter devised;

to make translations and abstracts of the Article and to distribute them to the public;

to authorize or grant licences to third parties to do any of the above;

to deposit copies of the Article in online archives maintained by OUP or by third parties authorized by OUP.

You authorize us to act on your behalf to defend the copyright in the Article if anyone should infringe it and to register the copyright of the Article in the US and other countries, if necessary.

In the case of a multi authored article, you confirm that you are authorized by your co-authors to enter the licence on their behalf.

By indicating that you wish to have your Article published under Oxford University Press's Open Access model you agree to pay the relevant Open Access charge on the terms set out through the Author Services site and you confirm you have read the Creative Commons licence (<http://creativecommons.org/licenses/by/4.0/>) and agree that OUP can distribute the Article under its terms. For more information about Oxford Open, please visit https://academic.oup.com/journals/pages/open_access.

You confirm to OUP that:

the Article is your original work; has not previously been published (in print or electronic format),

is not currently under consideration by another journal, or if it has already been submitted to other journal, it will be immediately withdrawn;

will not be submitted for publication to any other journal following acceptance in the above Journal; and

OUP will be the first publisher of the Article.

You warrant to OUP that:

no part of the Article is copied from any other work,

you have obtained ALL the permissions required (for print and electronic use) for any material you have used from other copyrighted publications in the Article; and

you have exercised reasonable care to ensure that the Article is accurate and does not contain anything which is libellous, or obscene, or infringes on anyone's copyright, right of privacy, or other rights.

Further Information

(Full details of OUP's publication rights policies, including author rights can be found at https://academic.oup.com/journals/pages/access_purchase/rights_and_permissions/publication_rights)

Author Self-Archiving Policy

On publication of your Article in the Journal you are not required to remove any previously posted ORIGINAL VERSIONS from your own personal website or that of your employer or free public servers of articles in your subject area, provided (1) you include a link (url) to the VERSION OF RECORD on the Journal's website; AND (2) the Journal is attributed as the original place of publication with the correct citation details given.

Oxford Open

By participating in OXFORD OPEN you may deposit the version of record in an institutional or centrally organized repository, immediately upon publication PROVIDED THAT (1) you include a link (url) to the version of record on the journals' website; and (2) the Journal is attributed as the original place of publication with the correct citation details given.

Free Link to Published Article

On publication of your article, you will receive a URL, giving you access to the version of record on the Journal website, and information on use of this link.

☐ I confirm that I will pay the applicable charges to have my manuscript published under the open access model.

☐ I confirm I have read the Author Copyright Agreement and agree my signature exchanged by digital/electronic means is intended to authenticate this Copyright Agreement and will have the same validity, force and effect as a manual signature.
